*Elders elected to preside in the absence of a Bishop.

In 1844 the great division occurred, and in 1845 the Methodist Episcopal Church, South, was organized. The Holston Conference passed under the supervision of the new church. But after a lapse of twenty years the Holston Conference was reorganized, 1865, in Athens, Tenn., under the presidency of Bishop Davis W. Clark.

OUR DEAD.

"These all died in faith not having received the promises, but having seen them afar off, and were persuaded of them, and embraced them, and confessed that they were strangers and pilgrims on the earth."—HEB. 11:18.

REPORTS.

REPORT OF COMMITTEE ON EDUCATION.

The school is the right arm of the church. Our fathers wisely laid foundations for the intellectual as well as the spiritual nurture of our people. The past year has been one of development in all the institutions within our bounds.

GRANT UNIVERSITY, ATHENS, TENN.

J. H. RACE, President; W. A. WRIGHT, Dean.

The College of Liberal Arts and the preparatory and other departments located at Athens have enjoyed another prosperous year.

The student body was more mature, a greater number being in the college classes, the discipline excellent and the work done by both teachers and students first class. A very gratifying fact to the friends of the school is that, though no assistance was received from the F. A. and So. Educational Society, the year closed without debt.

Twenty of our young men are laying the foundation in literary training for a course of theology later on. Several of this class are supplying charges in the Athens district along with their school duties.

The enrollment in all departments has been in advance of last year, execpt in the industrial department at Ritter home, which shows a total of 76, as against 100 last year. This is readily accounted for by the fact that we have had no financial agent in the field. About 75 applicants have been turned away because we had no means of furnishing the few necessary dollars to make it possible for them to come. Following is the enrollment:

Graduate students 3
College of Liberal Arts
Preparatory Department
Music
Elocution 18
Industrial, Ritter Home 76
Total counting only once

(3) The School of Liberal Arts at Chattanooga, W. W. Hooper, Dean. This department opened last year with twenty-five men and twenty-four women. Five were graduated with the degree of A. B.

The work has opened this fall with an enrollment of 52 men and 24 women to date. Other students in prospect encourage us to expect that, before the year closes, we shall have from 90 to 100 at work in this department. Nine excellent teachers, six men and three women compose the Liberal Arts faculty at Chattanooga.

(4) The School of Medicine. E. A. Cobleigh, Dean.

This department has grown very rapidly and the grade is being raised constantly. It is the purpose of trustees and faculty to minister to our Southland by giving a first class training in medicine and surgery to its increasing patronage.

(5) The School of Law, Grant University. C. R. Evans, Dean.

This department has opened with an enrollment of 78 students from 30 states. The methods and quality of work in this school under the leadership of Dean Evans is attracting a fine class of students.

(6) The School of Theology. W. S. Bovard, Dean.

Our School of Theology stands for the most practical and thorough training of our ministry. She believes that our ministry ought to study under the most favorable circumstances the great doctrines of the Christian Church, noting particularly their relation to strong, wholesome Christian living. Ministers should study with patience and discrimination the history of the Christian movement that a right estimate may be put upon the mission and methods of our denomination in her ministry to our own times. There never has been a time when there was a greater demand for systematic Bible study. So many attractive themes press upon the preacher's attention that the Bible is in danger of falling into a place of secondary importance. The Bible will always be first, and the great life it portrays will always be the chief theme for the preacher who has systematically studied its inspired contents, and prayerfully penetrated the form and appropriated its truth into life and translates that life into terms that may be readily understood and received by the hungry people.

The School of Theology recognizes too, that the preacher must be skilled in applied Christianity. He must be skilled in giving his message the most effective forms of expression. He must accurately diagnose the spiritual condition of the individual whom he serves. His sanctified personality must always give force to the truth he utters either from the pulpit or in pastoral visiting.

The instruction in the School of Theology is entrusted to experienced pastors, who stand for genuineness in scholarship, and at the same time keep themselves in sympathetic touch with the practical activities of the Church.

We nominate as Conference visitors to the School of Theology H. J. Van Fossen, J. D. Roberson.

Last spring Brother Pearsons, a Chicago philanthropist, offered to give Grant University \$50,000.00 for permanent endowment provided the friends of the institutions would add to this the sum of \$150,000.00. President Race has begun his campaign to take advantage of this great offer. If this can be done our school, both at Chattanooga and Athens will be able to serve the cause in this section in a broader, richer measure than ever. We call upon every friend of Christian education to make this a personal matter. We further recommend that the first Sunday in January, 1906, be set apart as University Day and a collection be taken in every congregation in the Conference for this cause.

KINGSLEY SEMINARY-S. G. KETRON, Principal.

Kingsley Seminary is located at Bloomingdale, nineteen miles west of Bristol and eight miles south of Gate City. It is doing a great work under the present management. This school was founded in 1877. The school propertly all belongs to the Methodist Episcopal Church. The present principal is erecting a fine edifice in honor of the late Professor Joseph H. Ketron, A. M., former principal. The school has opened with an encouraging enrollment.

A. B. WRIGHT INSTITUTE—Rev. Patton Broyles, Principal.

This school is situated at Burrville with delightful surroundings and in connection with excellent people badly in need of just such advantages as have characterized the work here for some time past. There is no other school of like grade near it.

Toil, sacrifice and prayers have been poured upon the work here but the financial support has been very meager. It is hoped material and deserved aid in this line will soon come to the relief of the school. The enrollment for the past year was 198. The school is entitled to liberal encouragement from its patronizing territory.

WESLEYAN ACADEMY—S. H. THOMPSON, Principal,

Frank M. Cones, D. D., Associate Principal.

Wesleyan Academy, located at Chuckey, Tennessee, has enjoyed in the past academic year increased prosperity in every phase of its varied work. The present enrollment is 188, a gain of 30 per cent. During the past year the erection of a two-story dormitory for girls was commenced and is nearing completion. This well-planned and much-needed structure will prove a valuable addition to the school property. Promised aid in the material support of the institution is being constantly realized. The reading room established a year ago has proved invaluable to the student body. Special attention is given to instrumental music in which the piano and organ are used.

PARROTTSVILLE SEMINARY-P. H. GRIFFITTS, Principal.

This institution is situated in a section of country which offers great opportunity for Christian education.

The present year has opened with a good enrollment and an outlook that warrants us in expecting a successful school in the future.

OAKLAND SEMINARY-Prof. Self, Principal.

This institution is located at Baileyton, Tenn., and has a career of twenty-five years of successful work. The class of students drawn to this school is made up chiefly of those who are earnest and ambitious.

MURPHY COLLEGE-E. F. Goddard, Principal.

Murphy College is located at Sevierville, was established in 1891. We now have, at this point, a property valued at \$21,000.00. Seven instructors taught last year 381 students. The present term opened with a larger enrollment than ever before.

AMERICAN BIBLE SOCIETY.

We believe that the American Bible Society should be strengthened so as to enable it to more efficiently do its work of evangelizing the world. The American Bible Society is a wonderful agent in sending forth light and truth unto all parts of the world especially in carrying the gospel to the neglected parts of the world. We, therefore, recommend that the 25th day of February be observed as Anniversary Day, as requested by the society. The field agent requests that preliminary mass meetings be held in all places possible, also that these meetings be held in December, January and February so that the field agent, Dr. French, can be with us.

Because gifts and legacies have continued to fall off the financial condition is now more serious than ever before. To creditably pass the ninetieth mile post in her onward march and honestly and intelligently make her budget for 1906, the society needs \$50,000 above her regular income; a less amount than this means to badly handicap the society in the last decade of its first one hundred years. This should not happen.

TEMPERANCE.

We note with gratitude and encouragement the great and determined progress made along all temperance lines. We rejoice on account of the many sure and visible evidences of the vigorous growth of a strong temperance sentiment throughout the entire nation. In our beloved Tennessee we have achieved a great victory in driving the destructive saloon from so many of our towns. The enthusiastic and persistent efforts put forth by the people of these towns and the surrounding country for the abolition of the saloons show the strong growth in the hearts of our people for the promotion of this, one of the paramount causes of interest to our people.

It is a most noteworthy fact that the two candidates competing for the high office of United States senator in our state have each pledged himself in favor of temperance and declared his intention of supporting the Hep-

burn-Doliver bill if elected.

Having full faith in the wise promotion of this cause in the efforts of the Anti-Saloon League, the Woman's Christian Temperance Union, and other temperance organizations; therefore be it

Resolved, first, That we, the ministers of Holston Annual Conference, at Harriman assembled, pledge ourselves to do all in our power to promote a healthy and vigorous temperance sentiment about us, and that we will so far as we are able encourage and cooperate with these various organized temperance movements for their success.

Second, That we recommend to our people the *Anti-Saloon Journal*, published at Harriman, as a valuable assistant in the temperance cause.

Third, That we pledge ourselves to support no candidate for any office who is in any way in league or sympathy with the saloon.

Fourth, That so fas as practicable we will make a special effort to have our congregations and Sunday schools observe the Fourth of July of each year as a day consecrated to the promotion of the temperance reform; that we will especially seek to interest our children and young people in this movement; that, with songs, music, speeches and various services in our churches, public halls or groves, we will strive to promote the proper and Christian celebration of the birthday of the nation in the cultivation of a sound temperance revival; and, finally, that we invite the cooperation of all religious bodies, temperance organizations, Young People's Societies of whatever name, and all churches, Sunday schools, pastors, patriots and philanthropists, in this effort to save our nation from the curse of drink.

REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS.

Your committee on District Conference Records beg leave to report that the records of the Athens, Greeneville, Knoxville and LaFollette Districts have been well kept and are in good form.

FIRST M. E. CHURCH, South Pittsburg.

STATE OF THE CHURCH.

A careful survey of the state of the church reveals conditions for which we are profoundly grateful and also conditions that should call forth our best efforts and our most earnest prayers.

Our people are more generally interested in the temporal prosperity of our zion than ever before. Our preachers are better paid than formerly and our churches are being enlarged and beautified almost everywhere. Our schools and colleges for Christian education, were never so prosperous as they are today, and our religious periodicals were never so widely circulated before.

There are many things to indicate that the church of the twentieth century is on the threshold of a great epoch making revival of Christian activities as definite as the reformation under Luther and as far-reaching as the awakening under Wesley.

But there are some grave problems before us, some problems peculiar to our times.

- (1). There is a spirit of indifference, on the part of the world, to the actions of the church. Men no longer antagonize the church, they no longer persecute her as in the days of the fathers, they simply let her alone. The church stands in danger of suffering "the crudest of persecutions, neglect." The ship that has sailed on all seas and against all winds can make but little headway in a dead calm.
- (2). There is a spirit of irreverence, especially among the young, which is indeed alarming. We can not say that those in authority, that the aged and that our women, are reverenced today as by the former generation. The American Sabbath is in great danger of becoming a Continental Sabbath, which is no Sabbath at all. It is a sad fact that in many lines of business, even under Methodist control, there is practically no recognition of the day. Sadder still preachers are lending their influence to Sabbath desecration by patronizing the Sunday cars and taking the Sunday papers.
- (3). The attitude of the so-called laboring classes of the church is one of the most difficult problems before us. Thousands of these people never enter a church, do not send their children to Sunday school, do not read the Bible and have no form of religion in their homes. When we remember how large a proportion of our population these people constitute and how much more rapidly they increase than the so-called upper classes, we begin to see the magnitude of the problem. It must be solved or it will soon be too late.

The church has never had such a back ground of wealth, culture and prestige as today. Never before were the opportunities so many nor the responsibilities so great.

"Let us not become weary in well doing for in due time we shall reap, if we faint not."

THE EPWORTH LEAGUE.

The Epworth League has wrought much for the uplifting of our young people to higher plains of thinking and living. It stands for the salvation of our people, soul and body, redeemed and kept unto eternal life. The Epworth League has been a mighty factor in bringing and helping to bring the Holston Conference to its present enviable record before the church. We are glad of the large measure of success which has come to this most splendid organization. We urge a larger utilization of these excellent traits which come to us through the Epworth League.

We commend the Epworth Herald as most excellent reading matter

for our young people. Respectfully submitted,

R. A. SIMONDS, Thos. D. Rowe, G. S. Bales.

REPORT OF THE COMMITTEE ON CHURCH LITERATURE.

Following the lead of their great founder the people called Methodists have always recognized the power of religious literature as a means of disseminating knowledge, aiding culture and accomplishing evangelization. People who read sufficiently and wisely become intelligent. Our people have ever striven after intelligence. We feel honored to have had with us at this Conference the Rev. H. C. Jennings, and we rejoice to learn from him that our people are buying and reading more books and papers than ever before. We rejoice also, that the proportion of literature issued by our own publishers is largely increased. With the rest of the great Church we are justly proud of our great publishing houses, the number and ability of our authors, the rapid sale of their works, the quality of the literature produced, the number and character of our great denominational newspapers, and the talents and power of their editors. We are glad that our own Dr. R. J. Cooke sustains such a vital relation to this great work of the Church. We feel a just pride in our splendid Sunday School literature, and are gratified to know that our people for the most part are loyal to their own Sunday school publications.

We believe that a more general circulation of our church papers would be very helpful. We are glad to have had a visit from the Rev. Robb Zaring on behalf of the Western Christian Advocate and to hear his presentation of the claims of that valued paper. We wish the Western the

prosperity that it deserves.

What your committee considers the most important part of their report is yet to come. It refers to the official newspaper of the Conferences of the Central South—The Methodist Advocate Journal. We rejoice in the success that has attended the work of Editor J. J. Manker in the fourteen months of his incumbency. In that time two thousand new names have been added to the subscription list, the reward of able and vigorous work on the part of the editor, wise plans of the publishing committee, and cooperation on the part of presiding elders, pastors and laymen. We pray

that every preacher and layman, member and adherent of our church in this most promising section of our country will speedily come to realize that the highest effectiveness of our work demands that the Methodist Advocate Journal become a weekly visitor to every home. Our own home church paper sustains a close relation to every vital interest of our great work. It is our solemn conviction that every worker in our zion should strive to further increase the circulation of the Methodist Advocate Journal, that with the cooperation of preachers and laymen we of the Holston Conference can gain one thousand new subscribers by January first, next, and we request the presiding elders to apportion to the several charges under their care the number that in their judgment can be secured.

REPORT OF COMMITTEE ON CHURCH EXTENSION.

We most gratefully acknowledge the noble work done by this society from the beginning in this Conference. And the large sums have been received both by donation and loans from this society. We greatly rejoice that your committee can report all claims settled up to date. This Conference is asked to raise \$........ for the incoming year and against this sum may draw for church purposes the \$2,500.00. This Conference has at present a small credit with this society.

The visit and brilliant address of Rev. W. D. Parr, D. D., was highly appreciated and a cordial welcome awaits his return.

L. B. CALDWELL.

REPORT OF THE COMMITTEE ON SUNDAY SCHOOLS AND TRACTS.

We highly appreciate the work that is being done by our Sunday Schools; but we realize the great need of a more combined, consecrated and earnest effort on the part of both pastors and people along the line of Sunday School work in various parts of our Conference.

The old and the young need to be brought in touch and become active workers in some department of the Sunday School. We, therefore, recommend:

First, That the Home Department, which has been so long slumbering in our Conference, be vigorously pushed forward this year.

Second, That the pastors urge upon their Sunday Schools to establish a Cradle Roll.

Third, That every Sunday School be organized into a Temperance Society, and the children be taught the demoralizing and destroying effect of alcohol, so that they may ever shun it, and look upon it as a deadly poison, and make strong Christian men and women; also be it

Resolved, That we will insist on the requirements of the discipline that all of our schools be organized into Missionary Societies.

No church can successfully exist without a good Sunday School; and no Sunday School can be a successful school without well equipped and trained officers and teachers.

Resolved, therefore, That we as pastors will organize our teachers into classes for instruction in the methods of teaching.

And in order to make our Sunday Schools what they should be they must be supplied with our own literature, for we believe there is no better literature published than our own; we therefore urge upon every pastor to see that his Sunday Schools are well supplied with our literature.

TRACTS.

We believe that the Tract Society is accomplishing an untold amount of good, and is doing its part, which is a great part, toward evangelizing the world. There have been, and are, homes reached and being reached, and brought to Christ by tracts when all other agencies failed. John Wesley realized the great power there was in tracts and he used them as a sower uses the seed. We, therefore, recommend:

First, That every pastor inform himself with regard to the work that is being done by the society.

Second, That every church take a collection for the society.

Third, That we strive to put tracts in the homes of every non-going church person in the bounds of our work as well as in the homes of our church-going people.

Signed:

F. M. REYNOLDS,

S. P. Angel,

R. L. STAPLETON.

THE CAUSE OF MISSIONS.

We are greatly thankful to Almighty God for the manifest interest in the cause of missions, both among our pastors and people. The cause of missions has been receiving more attention and the results are indeed gratifying.

We urge our pastors to continue their faithful work in presenting the cause of missions to their congregations. We believe in our people and whenever our laymen understand the need of our work they are liberally helping. Many of our churches that have hitherto received missionary appropriations are rapidly becoming self-supporting.

We call the attention of the brethren to the celebration of the present Jubilee movement requested by Bishop Thoburn and endorsed by the Board of Missions of New York at a recent session to give our people an opportunity to make a special contribution during the coming year to strengthen the work abroad.

Respectfully submitted,

G. T. Byrd, Wm. F. Pitts.

RESOLUTIONS.

RESOLUTIONS ON MORMONISM.

Whereas, President Joseph F. Smith and high officials of the Mormon church have admitted in their testimony before a committee of the United States Senate that for years the law of the State of Utah prohibiting poligamy has been constantly violated by fellow Mormons and themselves, and,

Whereas, The solemn pledges given the President of the United States, and the action by the head of the Mormon church and other high officials of the same, to the effect that they would cease plural marriages and polygamous practices, has according to their own testimony, been violated, and,

Whereas, Reed Smoot, United States Senator-elect from the State of Utah, is an apostle of the Mormon church, and subservient to the hierarchy of his church, and has connived at the unlawful practices of the same; therefore,

Resolved, first, That we do hereby memorialize the Senate of the United States in the name of all our American homes and the sacred martial ties of the same, to declare vacant the seat of Reed Smoot, Senator from the State of Utah.

Resolved, second, That we hereby memorialize the Congress of the United States to submit to the several states of the Union an amendment to the Constitution of the United States prohibiting polygamy and polygamous practices in any state or territory of the Union.

tical secretary; together with their several assistants for the fidelity and painstaking care with which they have performed their sereval important functions.

Resolved, That we hereby extend our thanks to the pastor at Harriman, the Rev. Robert Walker, for the very satisfactory manner in which he has entertained this Conference, and for his courteous bearing toward all who have come under his influence.

Resolved, That we hereby express and record our great appreciation of the citizens of Harriman in extending the warm hearted welcome and abundant entertainment which all the members of this Conference have so fully enjoyed.

Resolved, That we are not insensible nor forgetful of the courtesies extended to our Conference on this occasion by the several railroad corporations over whose lines we have had comfortable transportation at reduced rates.

Resolved, That we greatly appreciate any and all courtesies thrown into our pathway by the various churches and pastors in the town of Harriman, during our few days of sojourn among them.

Resolved, That we have been delighted with the several able addresses given before this Conference by our connectional officers and brethren, namely, Charles Roads, representing the Sunday School Union; W. D. Parr, representing the Church Extension Society; W. P. Thirkield, representing the Freedman's Aid and Southern Education Society; H. C. Jennings, representing the Book Concern; Rob Zaring, representing the Western Christian Advocate; and W. S. Bovard, representing the School of Theology of Grant University, and E. M. (2) That in the providence of God his life has been spared, and that he is now among us. (3) That we have been delighted and edified with the conduct of business placed in his hands by the authority of the church. (4) That his famous lecture—Great Deeds of Great Men—delivered on Thursday evening last was indeed a master production, and shall linger with us in lasting memory, and to great profit. (5) That if by the economy of the church and the guidance of a gracious providence he shall be assigned to us again, he shall share our warmest greetings and meet a most cordial reception.

Resolved, That we rejoice in the progress the Methodist Episcopal Church is making in this territory through the influence and work of the Laymen's Association, and we desire to assure our brethren of the laity of our unstinted cooperation in all plans looking to the general uplift of our people.

Resolved, That we beg to extend our sincere thanks, and hereby express our high appreciation of the long continued and faithful services of our former secretary, the Rev. James H. Amis, who has recently taken his

leave from us, and now resides in a distant state. (2) That our best wishes and sincere prayers for himself and family shall follow him.

Resolved, That we part with our brother, the Rev. Dr. James M. Melear, who has been transferred to the West Wisconsin Conference, with sincere regret, and we beg to assure him that our very best wishes and earnest prayers shall go with him to his new field.

THOMAS B. RUSSELL.

Resolved, That for the purpose of affording the people better pastoral service which is greatly needed and in many places is absolutely imperitive before any growth spiritual or temporal can be expected, it is the judgment of this Conference that wherever practicable all large circuits should be divided and that the circuits which have been divided should so remain.

R. J. COOKE.

Banfield, of Beaver, Pa., and hereby extend to the bereft husband and children our profound sympathy and condolence; and we shall earnestly pray that the grace of the all-merciful Father may sustain and comfort them in their sore trial.

MEMOIRS.

BISHOP ISAAC W. JOYCE.

At this, the first session of the Holston Conference of the Methodist Episcopal Church held since the lamented death of Bishop Isaac W. Joyce, we desire to place on record our appreciation of the exalted virtues and warm and sincere brotherly bearing of that holy and beloved man of God. During the entire period of his official residence among us, he manifested the same profound interest in the varied work of the church, and in the personal welfare of every preacher and his family. He was as nearly as we may ever expect to see, a perfect Christian man and an ideally faithful Bishop.

We extend to his bereaved companion and family our deepest sympathy and condolence. Truly it may be said, that the life of Bishop Isaac W. Joyce proved an inspiration and benediction to the Christian world.

F. M. Cones.

MRS. A. C. KNIGHT.

Mrs. Knight entered into rest September 20, 1905, at the home of her brother, Dr. W. F. Warren, in Boston.

She was born in Florence, January 8, 1825, and was therefore in her eighty-first year. She was a most remarkable woman—easily the intellectual equal of either of her renowned brothers. She was converted in her twelfth year and immediately joined the Methodist Episcopal Church. She was an intelligent, efficient, and faithful member to the end. To her, loyalty to her church and its interests, meant loyalty to God and His kingdom. Quiet and unostentatious in manner, she nevertheless "went about doing good" and was ever to be found in her place at all the services of her church. Every phase of work attempted by the church, immediately became a matter of interest to her, but possibly the work of the Woman's Foreign Missionary Society was a little dearer to her than any other. She considered it to be of the vital forces of the church.

The spread of the gospel was to her the all important work, and she would frequently say, "other things *ought* to be done, but this *must* be done." She was never too tired, and seldom too sick, and the weather was never too cold nor too hot, to prevent her attendance upon our meetings.

She organized our auxiliary, and through the years she has served as corresponding secretary and treasurer.

The last work that she did while with us, was to make out, with her own trembling, weak hand, the last report for the twenty-five years she has been here. Her pastor's wife assisted her by collecting the dues for the last two quarters. The amount fell short by \$1.00 on account of the absence from town of two of our members. Mrs. Knight paid the \$1.00 herself, leaving a request that those ladies pay her dues for the coming year.

J. M. MELEAR.

JAMES B. SEATON.

Rev. James B. Seaton was born in Sevier County, Tenn., December 28, 1831, and died at his home in Blount County, Tenn., April 8, 1905. He was converted and joined the Methodist Episcopal Church when about seventeen years old. In 1852 he was married to Sallie M. Andes, by Rév. Ashley Wynn. In 1862 he joined the federal army and was made lieutenant of Company M, Second Tennessee Cavalry. On account of failing health he was honorably discharged in 1864. In 1866 he was licensed to preach and joined the Holston Conference in 1867. His first charge was the Sevierville Circuit. His large family Bible contains the following record: "This book is compensation for my first year's service in the ministry, by the brethren of Miller's Cove, February 3, 1868. Jas. B. Seaton." Brother Seaton loved righteousness and hated iniquity. True to his convictions, he bravely fought his way through difficulties and gave time and means to carry on the work of the church. In the words of Richard Watson Gilder:

"As he preached he lived; unselfish, famelessly heroic, For even in mid-career with life still full, His was the glorious privilege and choice Deliberately to give that life away In succor for the suffering; for he knew No rule but duty, no reward but Christ."

He was instrumental in building five or more church houses during his ministry of about thirty years. The following instance is worthy of notice: In the bounds of one of his charges was a distillery run by an old man who had followed it for many years; Brother Seaton approached him and said, "My friend, your locks are pretty gray for this business." The old man promised him that he would quit it, and Brother Seaton said, "We need a church here and we want you to help build it." The old man gave a lot, helped build the house, was appointed superintendent of a Sunday school and was converted, joined the church and became an active worker. Not only these houses of worship, but the devout men and womer converted under his ministry, stand as monuments to his good works. He preached his last sermon at Reagan's Chapel on this (the Little River) circuit in October, 1903, from which time he was a sufferer with tha dreadful disease, cancer, until death came to his relief on the morning o the above date. At his own request, Brother E. M. Wynn, a life-long friend and companion in service, conducted the funeral at Logan's Chapel at the close of which the Masonic fraternity took charge and performed the burial ceremony. He leaves a wife, many relatives and friends who fee keenly their loss. "Precious in the sight of the Lord is the death of hi saints." L. M. WILLS.

REPORTS OF PRESIDING ELDERS.

ATHENS DISTRICT.

REV. W. C. MILLER, P. E. Athens District.

In presenting to the Holston Conference this my fourth annual report as Presiding Elder of the Athens District, it is proper and right, that my first words should be an expression of thanksgiving and praise to God for the constant blessings of his providence and grace, which he has so bountifully bestoyed upon me and the pastors during the year, and for his blessing upon our united Neither death nor serious sickness have entered any of the homes of the pastors this year. And it affords me great pleasure to report that every pastor has had reasonably good health, and has rendered constant, faithful, and efficient service on their respective charges. The correctness of this statement will be seen in their reports.

The Athens District embraces eighteen pastoral charges—four stations and fourteen

circuits. There was a small change made this year in the physical proportions of the district, Kingston Station was taken off of this district and put on the LaFollette District, because of its geographical relation to that district.

In presenting to the Holston Conference this my fourth annual report as Presiding Elder of the Athens District, it is proper and right, that my first words should be an expression of thanksgiving and praise to God for the constant blessings of his providence and grace, which he has so bountifully bestowed upon me and the pastors during the year, and for his blessing upon our united labor. Neither death nor serious sickness have entered any of the homes of the pastors this year. And it affords me great pleasure to report that every pastor has had reasonably good health, and has rendered constant, faithful, and efficient service on their respective charges. The correctness of this statement will be seen in their reports.

The Athens District embraces eighteen pastoral charges—four stations and fourteen circuits. There was a small change made this year in the physical proportions of the district, Kingston Station was taken off of this district and put on the LaFollette District, because of its geographical relation to that district.

Organically some changes have been made this year. The Appalachee Mission was discontinued. Three new charges have been formed by divid-

ing a number of large circuits, viz., Niota, Lenoirs City Circuit, and Luminary. Eleven charges were supplied with pastors by Bishop Warren at the last session of our annual Conference, leaving seven to be supplied. This was done as follows: Decatur was supplied by Richard Millard; Ebenezer by A. H. Gragg; Erie by L. B. Dennis; Madisonville by J. L. A. Bumgarner, with J. N. H. Miller for assistant, and Luminary by T. A. Otwell.

A few changes have taken place since Conference; I. H. Miller, pastor of the Ducktown charge, was transferred by Bishop Warren to the Georgia Conference; this occurred in the early part of the Conference year. I have not been able to supply this charge, but for a very short time, mainly for the reason that no house could be secured for the pastor to occupy.

E. M. Pippin, pastor of the Loudon Circuit, after serving this charge for two or three months, gave it up for reasons not necessary to give in this report, and the circuit was supplied by W. W. Sutton and J. R. Owen as assistant.

In the main the pastors have labored with zeal and fidelity and with scarcely an exception, they have rendered successful service.

They have joined heartily in the forward movement for better financial and spiritual results. Their reports will show the results of hard work done and glorious victories achieved.

A house and lot has been purchased at Maryville for a parsonage for the Maryville Station, worth from \$1,700.00 to \$2,000.00. This excellent house and lot have been secured through the wise and untiring efforts of the pastor, B. M. Martin, and the cheerful liberality of his people. Four new church enterprises are under headway on the district. One at a place called Luminary. This place has needed a new church house for 15 or 20 years. Brother T. A. Otwell, the faithful and energetic pastor has been active in getting this enterprise on foot.

Two new houses are being built on the Niota Circuit. One at North Athens and the other at a place called Fairview, two miles east of Athens. Brother Amis, the pastor, has been looking after these enterprises. The fourth and last to mention is at Andrews Chapel on the Athens Circuit. This house, when completed, will be worth \$1,500.00. Brother W. S. Grant is the pastor, and is one of the most successful church builders in the Conference. There are four other places on the district where new church buildings are needed, and the people seem to be anxious to build.

The salaries estimated for the pastors and presiding elder are for the first time in the history of the district fully paid. Every charge in the district reports its full apportionment for missions, and for all other benevolences, including the Episcopal fund and the Conference Claimant fund.

A series of revival meetings have been held in almost every church within the bounds of the district this Conference year. The spiritual condition of the district, as a whole, is better than I have ever known it. These revivals have been planned for, prayed for, and faithfully expected.

The Epworth League work on the district is not what it should be, but in some respects it is increasing in interest and usefulness.

The Sunday School work is truly encouraging. The number of schools have increased, they are more largely attended, better supplied with literature and teachers.

The College of Liberal Arts of the U. S. Grant University at Athens was never in a more hopeful condition. I am creditably informed that the present faculty has never been excelled in qualifications and efficiency. A careful estimate of the bills receivable and bills payable for last year show that the current expenses, which amounted to \$8,683.86, were paid in full and that without any subsidy from the Freedmen's Aid and Southern Education Society. The enrollment for this year, which is over 200, is about 25 per cent in advance of last year.

Four years ago the Athens District paid for ministerial support including Conference Claimants, and house rent (minus the amount paid at Kingston, which has been taken from the Athens District) \$5,366. This year the district has paid, plus the amount Ducktown would have paid if it had been supplied all the year, \$8,654. Then it paid for all Benevolent purposes \$966. This year it pays \$4,662, making a total increase of \$6,941. These encouraging financial results achieved are mainly due:

- 1. To the service rendered by the pastors which has been constant and courageous, whole-hearted and effective.
 - 2. To the division of some of the large circuits into small charges. Here is the best sample we have:

The Eric Circuit, composed of nine churches four years ago, paid for ministerial support \$122, for Benevolences \$14. This circuit has been divided and has paid this year for ministerial support \$565 and for Benevolences \$80. The financial advancement on this charge has been brought by giving the people more pulpit and pastoral service. Last year this charge built a church worth \$1,500 and in a few weeks will finish another worth \$2,000. One other thing should be said in connection with the division of this circuit, they have been served by energetic young men.

3. The influence of the systematic and well directed efforts of the Layman's Association, throughout the district, arousing the people to a clear sense of their obligation to their pastors and to the general work and interest of the church. I can not close this paragraph without giving credit to one of our beloved laymen, who has aided us in council and in gifts; you already know to whom I refer. John A. Patton, of Chattanooga, Tenn., whose influence is being felt throughout the Church.

Something must be said concerning the necessities of the church in the district for, notwithstanding the encouraging results already given, and without detracting in the least from the commendatory works spoken of the faithful work of the pastors, nevertheless it is obvious that certain conditions exist, which are hurtful to the growth and prosperity of the church.

- 1. There is a need for more deep personal piety and holy living among the members of the church.
- 2. There is a great demand for more loyalty to the church and all of her institutions, and a more liberal support of the ministry, and a burning

desire for the salvation of the world and the building up of the Kingdom of God in the earth. These great obligations rest so lightly upon many church members that they seem scarcely aware that such obligations exist.

3. There is still a great demand for the intellectual and spiritual training of the children and young people. If this lost world is ever brought back to God more time and attention must be given in this direction.

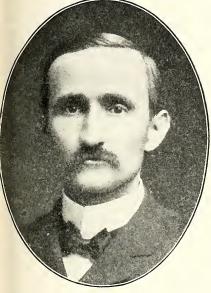

4. And greater than all, is the demand for leadership, intelligent, skillful, masterful leadership-is an indispensable condition of large success. As one has so wisely said, "We must have the power of a Pentecostal Baptism, with its heart of flame and its tongue of fire. There must be the massing of our energies, with a mighty all-constraining force of will for the actual accomplishing of the work, given us of God to do. These conditions fulfilled, the victory is ours and the field is won.

Of my own work on the district, it is perhaps unnecessary to speak, further than to say that I have given all of my time in looking after the interest of the church. Much of our time has been given to financial affairs and every possible effort has been made to secure the full payments of the pastors' salaries and the benevolences, but this has not been done to the neglect of the spiritual interest of the church. I have held in person 70 quarterly meetings, two by substitutes, I have helped the pastors in evangelistic services as time and opportunity afforded. Assisted Bishop Luther B. Wilson in holding one district conference.

I have baptized 59 adults and 5 infants, performed one marriage ceremony, preached 183 times and have traveled 4,940 miles.

W. C. MILLER.

REPORT OF THE PRESIDING ELDER OF CHATTANOOGA DISTRICT.

Rev. J. S. Burnett, P. E. Chattanooga District.

Dear Fathers and Brethren:

A territory like that embraced in the Chattanooga District, with its populous city teeming with industries, and many towns depending for the most part on the coal miner. together with an extensive agricultural region, presents many trying problems to both pastors and laymen. Keeping track of the members of our church who are constantly going to the towns or emigrating to the West, and helping them maintain an interest in active religious work under the different conditions imposed by their new surroundings is too largely an unsolved problem among us. Our Methodist preachers meeting at Chattanooga sent out requests to all of our pastors in the city whenever a member of any one of our churches moved

to Chattanooga. We have accomplished something by this and similar efforts, still, many are annually lost to our church and drop out of the active religious life altogether. We feel their loss most keenly in the country and village churches where but few persons move in to take the vacant places. We plan to secure recruits for all of our churches by missionary and evangelistic enterprises such as Methodism has always followed, and we are glad to say that these methods produce satisfactory results whenever wisely managed. We have nine churches in Chattanooga and suburbs, well located to offer church homes to all who may make that city their residence. We also conduct a Sunday School and regular meetings on Lookout Mountain during the summer, and will ask this Conference to enroll a mission at East Lake as the beginning of our tenth church. Cumberland mission was organized during the second quarter, with the consent of Bishop Warren, and James Hart became pastor. Several revivals, followed by the organization of two churches and a number of hopeful appointments is the result of this work. J. T. East, pastor of Waldensia mission, effected an organization in Oakdale and another at Daysville and will have a chapel ready to house the people at the latter place. Our work shares that of our Conference as a rule, in the blessings that follow the reduction in the size of our circuits and the internal development of our territory. This has given us seven more pastoral charges than we had four years ago without enlarging the boundaries of the district. But by far the largest results are obtained from more satisfactory pastoral service where there are but few churches on a charge, and this brings almost invariably a better support from charges of four to six appointments than the entire charge, of which these were a part, paid when there were twice as many churches on the circuit.

Every pastor, whether a member of Conference or a "supply" has remained in the appointment to which he was assigned throughout the year. A few of the pastors have met with peculiar difficulties on account of the labor troubles in some of our coal mines. The strikes and disputes between capital and labor have been continuous in the Tracy City district throughout the year. Conditions became so serious during the past summer that Governor Cox felt it necessary to send out several companies of soldiers to prevent further violence and they have kept Tracy City and the surroundings under martial law for about two months. Our pastors deserve great credit for acting so discreetly under these trying conditions, that they have not become entangled in any of the disputes. Last winter was an unusually severe one in this latitude; much snow and ice, with almost impassible roads in the remoter counties, made pastor service very difficult, but our preachers cared for their appointments regularly even in the worst weather, and their examples were a great inspiration to their flocks.

We found at the beginning of this year that we had the results of two great revival years to conserve or they would be lost to a great extent. About 4,000 persons had professed conversion at our altars during the time mentioned and 2,000 joined our church. We have given special attention to organizing and indoctrinating these new members during the present year and have not made a great effort to secure an extensive revival. Still, evangelistic work has not been neglected; a little help was obtained from evangelists, and our pastors have aided one another with gracious results on nearly every charge in the district. The pastors will report an aggregate of about 800 conversions and about 600 accessions to the church.

The Epworth League is suffering in some places from lack of novelty. Still, it is by no means maintained to preserve our "regularity" alone, but is a mighty factor in every activity of the church. The movement to enroll Christian Stewards, who will give at least a tenth of their income to God's cause, is steadily growing among us. Some Bible Study classes are organized and the old Book is thereby entering more actively into the young life of our churches. But no one feature of League organization has produced larger results, wherever it is carried out, than Mission Study classes. The churches that have them, not only give more liberally but more intelligently to this great cause.

Our Junior League is enjoying quite a revival. Junior League Superintendent J. W. Smith, together with Misses Walmer and Frickie, representing the W. H. M. S., have given this work an inspiration in many of our communities. Several of our pastors in the circuits are "catechizing the children publicly" once a month themselves, and arranging for other persons to conduct these classes when they are absent. This is intended to take the place of a Junior League.

The Sunday Schools are in the best condition as a rule that I have ever seen them. We have called special attention to this work as it can be carried on in every community, while the Leagues do not seem practicable in all of our churches. We have held several Sunday School conventions, calling in neighboring pastors and trained workers and holding this meeting in connection with the quarterly conference. Our Sunday school enrollment generally exceeds our church membership in numbers. The publications of our Book Concern are so generally used that I do not recall but one of our schools in the district that does not use them.

The Ladies' Aid Society exercises an influence entirely disproportinate to the size of its membership. They help with every burden and many church enterprises would be exceedingly difficult if not impossible without this organization. We also have a fair number of Women's Missionary Societies, Queen Esther Circles, Mother's Jewels, and similar organizations, all doing good work.

Our church at Rockwood has been thoroughly repaired and modernized in every way, at a cost of more than \$700. Hill City is spending about \$1,700 in improving its church. The building has been enlarged and a Sunday school room prepared by excavating a basement underneath the entire auditorium. Extensive repairs have also been made on the churches at Graysville, Fairmont, Avondale and Sherman Heights. The parsonage at Graysville was poorly located and unsuitable, therefore the trustees disposed of it and erected a commodious cottage on the church lot for a parsonage. The Dayton and Vine Grove charge, led by its tireless pastor, J. W. Boling, has built an excellent parsonage at Vine Grove Church. Pastor J. H. Gillespie led the people of Jasper charge in lifting the church debt, which threatened to cause the loss of their parsonage, and entire success attended his labors. The splendid parsonage building, worth \$2,000, erected by our Highland Park church, was completed and occupied by Pastor Omohundro early in the year. Sunday, October 1st, was a notable day in the history of St. James Church, Chattanooga, because of the burning of the mortgage which has burdened them throughout their history. We reported last year that the money to pay all debts on this church had been provided but it remained to turn subscriptions into cash this year and it took diligent effort and wise planning to achieve success in raising this money by the close of the year. But it is now paid and St. James will continue to be a great factor in our Methodism at Chattanooga.

All apportionments for benevolent purposes of whatever name or order are raised in full on each charge. This includes Conference Claimants and Episcopal fund. Quite a creditable offering has been made also to each of our Women's Missionary Societies and the general educational fund.

Besides this we will report large sums under the head of "other benevolences" making a total for all benevolences which we think is largely in advance of last year. Our regular benevolences were provided early in the year. We began our efforts at Thanksgiving by asking for an offering in behalf of our Conference Claimants. This resulted in a fair response but not a general one. About February 1st we began an effort that had for its object the clearing of all benevolent collections by Easter. The results were nearly all we could ask, since more than twenty of our twenty-five charges provided enough to meet these worthy claims in full, and the other charges made a very creditable showing, lacking but a little of the total in most places. This victory worked in a satisfactory manner wherever there was any difficulty in raising the money for current church expenses. We find that it avoids confusion and encourages the people if you do not have but one collection to ask for at a time.

Every pastor will report his salary in full. This is the fifth successive year that such a result has attended our efforts and our people are proud of their record and becoming more and more ashamed to face a deficit, therefore we find an increasing willingness to pay these claims each year thereby removing the probability of a deficit. In five years we have more than doubled pastoral support. This year alone we advanced \$2,245 over our last record. Nearly all of our quarterly conferences adopt with their financial plan the statement that all deficits must be met at the close of each quarter. We have noticed carefully those that have carried out this plan and find that in no case did they have any serious difficulty at the close of the year. It is proving a blessing to both pastor and people, whereever carried out. Several of our weaker charges are greatly helped by a fund raised by First Church Chattanooga as their Thanksgiving offering, and administered by a committee of laymen known as the District Committee on Home Missions. The late date of our conference session has helped us very much also in raising claims for pastor support, especially among the farmers. A still later date would enable them to market many of their products and be in a position to do more for the church with greater ease.

Our annual district convention was held with Vine Grove Church, Dayton, July 27-30. District President A. P. Jones has held two District League Conventions the first at Soddy and the other at Avondale. We have conducted a number of itineraries, rallies, and Sunday School conventions, sometimes taking the circuit as a unit, again enlisting the pastors and interested laymen in a certain territory, and securing the services of all of the ministers and laymen that can be secured from other charges, and carry out a continuous itinerary covering several charges. We give information concerning the most needful activities of our church at each place, and at the beginning or end of the year make special efforts in behalf of the finances.

We have a large circulation of our Conference paper, and find it of increasing value to us. We have gladly joined in bringing the circulation

up by sending nearly 300 subscribers to the paper this year. Dr. J. J. Manker is giving us a paper so well adapted to our people that we have but little difficulty in inducing them to take it or to continue it after they have begun.

The Woman's Home Missionary Society has our thanks for the valuable services rendered in many places by their special field workers, the Misses Frickle and Walmer. They have done the work that would be done by a deaconess, and have willingly gone to many of our remote

charges sharing all the hardships met by the pastors.

This has been a busy year for me but a most enjoyable one. Both pastors and people have worked together to make the way as pleasant and the work as light as possible. Every plan that has been suggested for concerted action has met with an earnest effort on the part of the pastors to carry out its provisions. I could not expect a more loyal Methodism than we have in Chattanooga District, and I devoutly pray that God may bless each preacher and layman throughout its bounds.

Our educational institutions, located at Chattanooga, will be reported by the Committee on Education, therefore I will not make special reference

to them.

Respectfully submitted,

J. S. BURNETT.

GREENEVILLE DISTRICT.

Rev. Hazen Oaks, P. E. Greeneville Dist.

Greeneville District is a great farming community. In this district we have fifteen circuits and two stations. In the circuits we have one hundred and seven preaching places, most of which are good church houses and the property of our church.

The seventeen charges on this district have been filled by members of the Conference except three. Rev. Jas. Osborn has supplied the Johnson City Circuit and done very satisfactory work. Rev. T. S. Walker was appointed to the Surgoinsville Circuit but did not feel able to take charge of so large a work and it was supplied by Rev. S. H. Frazier, who has done fine work on the circuit and the people desire his return.

Sneedville was supplied by the Rev. P. W. Shockley, who has been very faithful in

his work. Rev. J. S. Best was appointed to this work but owing to sickness in his family he could not go to the work and gave it up very early in the year.

Bloomingdale, S. G. Ketron, pastor.—Brother Ketron has done well when we consider what he had to do. He is financial agent of Kingsly Seminary; has taught regularly in the school, and served his charge with a sickly wife, any one of which is enough for one man. The people want Brother Ketron next year and he has promised to give his entire time to the ministry.

Butler Circuit, A. E. Brown, pastor.—This work consists of one appointment in each of the following towns: Butler, Fish Springs, Valley Forge and Hampton. Our work is weak on this circuit but there is material in this section of the country that would build into a splendid appointment.

Chucky City Circuit, W. S. Bandy, pastor.—Brother Bandy has had fine success on his work, reports one hundred and thirty conversions and sixty-five accessions; reports salary and all claims met in full.

Elizabethton, W. S. Brackney, pastor.—Brother Brackney is a very pains-taking, systemtaic, and conscientious pastor. Under his leadership the work has prospered in many respects. The young have been stimulated to a better life. Family altars have been erected. Classes have been formed, regular leaders appointed and set to work. All of which is telling for righteousness.

Johnson City, H. J. VanFossen, pastor.—Brother VanFossen is well received on his work. Is a good preacher, clear and logical. But owing

to the state of things at this place, things for which he is not responsible he has not had that amount of success he could wish, but our church is in better condition than when he took hold of the work.

Greeneville, L. B. Caldwell, pastor.—Brother Caldwell has served his third term on this work. Is popular with other denominations as well as our own. Has had one splendid revival, assisted by Mrs. Hilbish, who is a worker in the Home Mission Society. In this revival there were quite a number of conversions and accessions to the church. This church is supporting three native missionaries in China, has made some material advancement during the year.

Greeneville Circuit, A. B. McKenzie, pastor.—Brother McKenzie has had some good revivals and reports a number of conversions, but not so many accessions. Many of the converts being backsliders and in the church. Brother McKenzie is well received by his people and they will be pleased to have him returned.

Jonesboro, G. W. Matney, pastor.—This is Brother Matney's third year on this work. He has done a good work on this charge. Reports fifty conversions and twenty-five accessions.

Mountain City, G. S. Bales, pastor.—Brother Bales has been on this work for three years. This year has been the crowning year of the three. He has done a very good year's work besides completing one of the best houses in the Greeneville District, at a cost of \$6,000.00, \$2.000.00 of which has been raised this year. This charge is well able to support two pastors and Mountain City should be made a station, if we are to hold our prestige as we have it now. This church was dedicated by Bishop Luther B. Wilson August 6. Dr. Manker was also present and assisted in the services, much to the delight of the people.

Oakland circuit, G. B. Cox, pastor.—Brother Cox has done his regular work as pastor on this charge. And besides has raised the money; bought the lumber, and superintended the work, and has completed one of thenicest country churches at a cost of about \$2,000.00. The same was dedicated October 8th by Dr. R. J. Cooke, book editor of our church.

Parrottsville, T. F. M. Fraker, pastor.—Brother Fraker has been very earnest and faithful in his work and has a splendid grip on his people. Has had some good revivals. Was assisted by Miss Frickie, who did faithful work which will tell in the years to come. Brother Fraker has succeeded a completing one real good church this year and repairing a parsonage in connection with his other pastoral duties.

Rogersville, B. M. Morrison, pastor.—This is Brother Morrison's first year as pastor. Having been converted about two years only. He hastad success in building one of the best congregations in the town of Rogersville, in which he preached each Sunday night; has done considerable-repair work on his church in Rogersville and has almost completed a real tice parsonage at a cost of \$800, a debt of \$400 remains on it now. This will be a real strength to our Methodism in Rogersville.

Watauga, H. W. McKenzie, pastor.—This is a work of five appointmentswith some possibility of developing into a good work if we could have the field cultivated. But the work does not pay enough to give a man a living that will enable him to move to the work and put in time necessary to build up the work. This work should be strengthened in some way so as to better develop the field.

Fall Branch, T. D. Rowe, pastor.—This work has nine appointments; is very strong and should be divided into two charges. The people are able to pay for more preaching than they get and this as well as three or four other circuits in the district should be divided so as to give the people more preaching as well as pastoral work.

Brother Rowe has had fine success on the work and reports 162 conversions, \$1,850 spent on new churches, \$529 raised with which to buy a parsonage, \$150 on benevolences and salary all paid.

School Work.—We have three church schools in our district. Chucky City, Prof. S. H. Thompson, principal, who has succeeded in building a splendid boarding hall at a cost of \$2,600, which has been raised principally by the people.

Oakland Seminary, Prof. J. C. Self, principal. This school is doing well and will report in detail in our work on education.

Parrottsville, Prof. Griffitts, principal. This school needs help and if we are to succeed in the territory the friends of this school must rally to its aid.

As to my work it has been an experiment with me. I have doubtless made many mistakes but have done the best I could with my limited experience in the work. I have taken no account of the number of sermons I have preached, the miles I have traveled over, or the number of visits made. But have held all my quarterly conferences in person or proxy. Held the district conference and our camp meeting at Sulphur Springs assisted by the brethren who deserve honorable mention, to the pastors and people be lasting gratitude, and to God be all the glory for any success we may have had during the year.

HAZEN OAKS, P. E.

KNOXVILLE DISTRICT.

REV. A. S. BEAMAN, P. E. Knoxville District.

There is so very much to tell concerning the good work done by both pastors and churches, that brevity must necessarily eliminate much of that which will live in our history. I can report the collections taken, the churches and parsonages built and repaired. the revivals conducted, the number of conversions and accessions reported, but to fully portray the labors of twenty-two heroic Methodist preachers, their self-sacrifice, their faith, their prayers, and the victories won on unseen battlefields, is not possible in so short a report. These men are a great band of heroes traveling over the hills and valleys of one of the finest sections of this beautiful East Tennessee, and like the early apostles have gone preaching the gospel. They have been out after souls and now come to the

annual Conference amid the rejoicings of 1,600 converts.

At the portal of what men of God have this year builded, we stand with heads uncovered, our hearts reverent in tenderness.

All the pastors have been graciously spared to live through the year and are in line for service another year. We bring to God heartfelt thanks for unnumbered blessings. A gratifying degree of harmony has prevailed among workers.

None of our young men have augmented their usefulness and popularity by venturing into the matrimonial relation, but some, it would seem, are rembling on the brink.

A good brother layman writing me some days ago relative to "ministeial support," said: "In some quarters in this section the primitive method seems to be the most popular, because it costs nothing, and part of their eligion seems to be in exercising great care in giving absolutely nothing o the cause of religion in any way." While this is often true I do not attribute every disgraceful failure to provide for the pastor altogether to he unmitigated selfishness and meanness of the people, or their deliberate ntention to defraud their pastors; neither is it because of their inability o meet claims, but the absence generally of any definite and intelligent mancial system. This is the reason why we have meager salaries and indequate support on this district. The adoption of our disciplinary plan for ninisterial support, faithfully worked, would be a blessing to both the astors and the churches. When we contrast this year's support with former ears it serves to cast an optimistic gleam across the shadows. We paid o pastors and presiding elders last year \$13,173, this year \$15,200, showing n increase this year over last of \$2,027, this added to the \$2,488 gained

last year over the preceding year and we have a net gain for the two years of \$4,515. The average salary paid in the Knoxville district this year is \$690.90. All our pastors have been paid in full and more.

Three splendid parsonages and two excellent church buildings have been added to our property this year. Early in the year our First Church, Knoxville, purchased a residence at a cost of \$10,000, which at present would easily sell for \$12,000 and is doubtless inferior to no other parsonage in the entire connection.

Chestnut Hill charge has this year erected a splendid preacher's home worth \$1,600 and a substantial church building at a cost of \$1,200, with a debt of only \$80 remaining. When all the conditions are taken into account this will be considered an extraordinary achievement. Rev. E. R. Branam is pastor and has had 129 conversions and 125 accessions. A first class new church has been built at Asbury on the Jones Chapel and Asbury The cost is \$2,500. It will soon be out of debt and ready for dedication. But one of the most important accomplishments of the year, in the way of material improvements, is the erection of a beautiful parsonage worth \$2,000 at East Main Avenue, Knoxville. The house is almost clear of debt, and happy are they who occupy it. Rev. W. F. Pitts, the pastor, conceived the idea, formulated the plans, collected the money, and superintended the work to completion. The same unyielding determination and effort would place a church or parsonage at any point needing same in the bounds of this district. There have been repairs or improvements on almost every charge. In addition to the \$2,500 spent in erecting the new church at Asbury on the Jones' Chapel and Asbury charge, \$600 has been devoted to improve and greatly beautify the church at Jones' Chapel. The sums expended in this way at other places are in part as follows: Morristown Circuit, \$850; Lonsdale and Elm Grove, \$450; Asylum Avenue, Knoxville, \$200; Newport Circuit, \$200; New Salem, \$250; Stinnett, \$200; Knoxville Circuit, \$160; Thorne Grove, \$75; Dandridge, \$50; Tuckaleechee, \$40; Morristown Station, \$250. The total cost of our buildings and improvements is \$24,625. Of this amount more than \$16,625 has been paid, leaving us in debt for only about \$8,000.

The entire amounts asked of us for benevolent purposes are paid in full. We are greatly pleased to notice that the benevolent enterprises of the church are growing in favor with our people.

We have 70 Sunday schools, 14 Epworth Leagues, an equal number of Junior Leagues, several Ladies Aid Societies, a fair number of Woman's Foreign and Woman's Home Missionary Societies that are doing active and excellent work.

I mention last, as greatest in importance, the spiritual work of the district. This has been a year of general revival work. Every charge in the district reports conversions and accessions. Indeed it may be said some great meetings have been held. Asylum Avenue, Knoxville, reports 210 conversions and leads the district in that item. That church has paid its pastor \$100 more than the amount estimated at first quarterly conference

and is in advance on every other claim. Rev. J. M. Emert is the very useful and deservedly popular pastor. Six other charges report more than one hundred conversions during the year. Listen as we call the roll:

Chestnut Hill, 129; Dandridge, 172; Fair Garden, 30; Holston, 105; Lonsdale and Elm Grove, 60; Jones' Chapel and Asbury, 15; Knoxville, Asylum Avenue, 210; East Main Avenue, 147; First Church, 53; Luttrell Street, 9; Knoxville Circuit, 42; Little River, 29; Morristown Circuit, 87; New Salem, 65; Newport, 12; Newport Circuit, 139; Pigeon Forge, 9; Sevierville, 65; Stinnett, 53; Thorn Grove, 106; Tuckaleechee, 60.

"Thanks be to God who giveth us the victory through our Lord Jesus Christ."

While we greatly rejoice in what has been done yet we feel the great need of all is a revival "Not one coming from England or Wales, but a revival from heaven, not a revival of advertising and entertaining and card signing, but an old time revival, brought about by the mighty working of the holy spirit in awakening, converting and sanctifying power. A revival that will turn the professed people of God from their idols of sin and worldliness to the true and living God and make them to know what it means to live a Christian life. A revival in which the word of God shall be preached without compromise or apology in the power of the holy spirit; that will uncover sin whether in high or low places; that will quicken the conscience till the ungoldly shall tremble and "flee from the wrath to come;" that will destroy the desire for worldly pleasures and make the heart to hunger for God alone; that will take the people out of clubs and societies and put them in "the secret place of the Most High" where they may abide under the shadow of the Almighty; that will tear away the refuge of lies and reveal to saved and unsaved their priceless opportunity; that will make calvary and salvation from sin, and cleansing through the blood and the fullness of the life, and death, and resurrection, and judgment and heaven and hell living realities by the revelation of the spirit and the word; a revival that will not need to be revived at the next change of moon, but will melt and purify and mould the hearts of men into the image of Christ, and keep them clean and triumphant till they burst through the curtains that hide the invisible and see the approving face of God.

Let us here make a solemn covenant before God and man that we will make the coming year decidedly a revival year. A real, genuine, far-reaching, heart-searching, soul-convicting spiritual awakening.

In short, I plead for nothing more or less than an "old fashioned Methodist Revival."

A. S. BEAMAN.

LAFOLLETTE DISTRICT.

Rev. G. T. Francisco, P. E. LaFollette District.

The LaFollette District is composed of twenty-one charges, six of these are stations, and fifteen are circuits. The most of ten counties are included in its bounds and is traversed by twelve lines of railway. The natural resources of this territory are great. These mountains contain untold millions of wealth and we believe that a great future awaits our church in this section. New railroads are being built, new towns are springing up, population increasing, but the paramount question is, will we be able to meet the demands that are upon us as a Conference?

Taking all things into consideration the preachers of the district have done well, they have worked hard, as the results will show. Five of our pastors broke down during the year, on account of ill health. Brother

A. Y. Snavely, who was appointed to the Scarboro Circuit, was not able to go to his appointment and has been in rather poor health all the year. Brother Chase, pastor at Kingston, was stricken with paralysis in March, and was never able to fill the pulpit again. He has improved much in health during the summer. Brothers Foster, Ford and Zeigler were compelled to give up their work on account of afflictions. We have been able to supply these appointments with good men. Other pastors in the district have had to contend with sickness. About all the charges in the district have had revivals, and many of these meetings have been farreaching in results, leaving the churches and charges in a splendid spiritual condition. In some places we had the assistance of the Conference evangelist. Brother Close, assisted by the pastors, held three excellent meetings at Harriman, LaFollette and Clinton, resulting in a great many conversions. Brother Hunter assisted Brother Close in revivals on the Sunbright charge. The pastors report 1300 conversions and 600 additions. The spiritual condition generally has more or less to do with the financial standing of a charge. The district is in fair condition financially, not what we would like to have it. We have made some progress. We are in advance of any former year in its history. We have paid on salary \$9.392. We have raised for benevolences, including other benevolences, \$1,511. We have paid on old indebtedness and improvements \$3,968 and have erected two new churches, one at Oliver Springs, the other at Elk Valley. The church at Oliver Springs will cost \$2,000 when completed. The church at Elk Valley has cost \$800. Brothers Clark and West deserve much credit for the success of the two enterprises. A number of churches are under way of erection and a number have been repaired during the year. The

parsonage that stands just out there, one among the best in the Conference, has been completed this year at a cost of \$...... We congratulate the pastor and membership of this church on their successful achievement. Other parsonages have been repaired. We have recently reorganized our District Epworth League Cabinet and have, we believe, a good working cabinet, and will expect good results to follow. We have a district organization of the Woman's Foreign and the Woman's Home Missionary societies. These are of recent date. We have one of our Church Schools in the bounds of the district known as the A. B. Wright Institute, located at Burrville, Tenn. This school has been successful. Last year it had as principals Profs. Zeigler and Reynolds. Brother Patten Broyles has accepted the principalship this year and I believe that this school has a great future before it. It's doing a good work and supplying a long-felt need, being the only school of that grade in that section of the country.

I have closed my seventh year in the presiding eldership and in many respects it has been a very pleasant one. Preachers and people received me kindly and have stood by me loyally. I have held during the year one district conference and eighty quarterly conferences. Have held all of my quarterly conferences in person except one. Haven't missed an appointment. Have traveled 500 miles, made 260 visists, preached 200 times. Have, with the assistance of the pastors, secured subscribers for the Methodist Advocate Journal. The preachers of the district have done well in their canvassing for this excellent church paper. They have found that the circulation of the paper assists in raising the finances as well as other lines of church work. We give God the praise for all that has been accomplished.

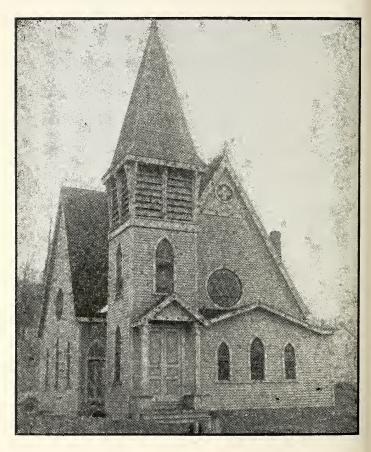

G. T. Francisco.

AN EDITORIAL WORD.

The Minutes are out. They are not perfect. Those who look for them will find inaccuracies. It is not an easy task nor a pleasant one to keep a *correct* record of the proceedings of an Annual Conference session. This is especially true when many reports are written in pencil and some actions based on mere verbal statements.

The secretaries have sought to accomplish three things, namely: A correct record of the doings of our recent session; the addition of new and important features, and the completion of the work at the earliest practicable moment. If you find that we have failed in any or all of these, be patient and remember that much of the material put into our hands was faulty, requiring that we bring order out of confusion—that we put meaning into the unintelligible.

Be charitable and give us credit for an honest effort to do the work to which you assigned us.

M. E. Church, Jellico.
